### Important Update:

At Macquarie Community College we are always looking for ways to make your learning experience better and easier.

To keep things simple and transparent, we've made a few updates to our course fees.

**Course Fee Increase:** The slight increase in course fees ensures we can continue to invest in maintaining high-quality programs, updating resources, supporting skilled educators, and improving the overall student experience. This adjustment allows us to deliver the exceptional learning opportunities you value.

**No More Card Fees!** We've removed merchant fees for card transactions, so there's no extra charge when you pay by card. These changes help us continue delivering great programs while keeping things fair and straightforward for you.

Thank you for being part of our learning community. We are excited to support you on your journey and "Never Stop Learning".

## Fiona Oates

### Empowering students through English education

Fiona Oates has been a key part of the Macquarie Community College family since 2007. Originally starting as a part-time evening teacher, Fiona gradually took on more work as her children grew older and became more independent. Her journey into teaching began with a deep passion for supporting her community, which has only grown stronger over the years.

Inspired by a friend who had started teaching English to newcomers, Fiona decided to make a career shift. With her background in Speech Pathology, she found it an easy transition to further her studies and begin teaching English to new arrivals in Australia.

“

When I thought about returning to work after having my children, I noticed how much my community had changed,” Fiona recalls. “There were so many people from all around the world now living in our area. I was excited by the idea of helping them settle into their new lives.”

**Fiona Oates**

### The source of motivation: Connecting through English

When asked what keeps her motivated, Fiona’s answer is simple:

**“It’s the students!”**

Fiona treasures the opportunity to connect with people from diverse backgrounds and cultures, learning new things from them every day.

Fiona’s advice for anyone studying English is practical and empowering. She encourages her students to immerse themselves in the language as much as possible:

**“Read English books, watch English television, be brave and talk to people at the back gate of your children’s school or at the bus stop, and of course, use the internet.”**

Fiona’s story is a beautiful reminder of the power of English education to change lives. She continues to open doors for her students, helping them find their voice and their confidence, one lesson at a time.

# Student Success Stories

**Tokasa Thompson**

## 2024 Community Education Student of the Year Finalist

Tokasa completing the Early Childhood Certificate remotely showcases Macquarie Community College's commitment to accessible education and personal growth.

"As a mature age student, living somewhere like Lord Howe Island made my experience studying very overwhelming. Despite this, I quickly realised how friendly and accommodating the Macquarie Community College team is. Everyone was so helpful and supportive," says Tokasa.

The Early Childhood Certificate equips students with the knowledge and qualifications to work with children in a variety of settings, such as preschools. Being able to obtain these learnings in such an approachable way gave Tokasa an invaluable skillset to work with.

”

*My teacher was very professional. She was supportive and willing to answer all my questions, especially the technology-related ones. She also made sure to organise my placement to be based on Lord Howe Island, which was a great financial relief," Tokasa says*

Tokasa's experience with Macquarie Community College empowered her to continue studying as a mature student.

**Mary Radiance Therese**

## Journey in Individual Support (Aged Care & Disability)

This is the story of compassion, resilience, and lifelong learning, particularly in the fields of Aged Care and Disability Support.

Upon her arrival, Sister Therese knew she wanted to formally pursue Nursing and Aged Care as a career. That's when she found Macquarie Community College and enrolled in the Individual Support Certificate (Ageing and Disability). Although new to using technology, she received incredible support from the MCC team.

”

*The customer support officer helped me so much. I didn't know how to use a computer, but she never gave up on me," Sister Therese recalls. "When I came to MCC and met Heather (Heather Hill, Lead Trainer in Community Services) I felt like I was part of a family. MCC is the best place—I just wanted to be there."*

Sister Therese faced the challenge of learning basic computer skills, but with the help of her teacher Jodi Crozier and her classmates, she gained the confidence to navigate technology. Her classmates taught her how to type and send emails, and Jodi went out of her way to provide additional support.

Through her studies at MCC, Sister Therese gained crucial knowledge in Aged Care and Disability Support. Moreover, she learned the essential terminology in English. Now working as an Aged Care support worker, Sister Therese applies these skills every day, providing compassionate care to those in need.

**Nataliia Drobushar**

## From Basic English to Confidence

Inspiring journey of Nataliia from a healthcare professional in Ukraine to a confident English speaker in a new country showcases the transformative power of community education.

When Nataliia Drobushar arrived in Australia in May 2022, her life had been turned upside down. The war in Ukraine had forced her and her family to leave behind a life they loved.

The move to Australia came with many challenges, and for Nataliia, one of the most daunting was her limited English.

Nataliia's first English classes were far from easy. She struggled to understand anything and felt out of place among her classmates. However, each class brought a little more ease, a little more confidence.

”

*Our tutor, Fiona, was a magician," Nataliia recalls. "She made me love English. Fiona's classes were truly engaging, and with each lesson, I found myself feeling more confident."*

Nataliia found not just language lessons but a supportive community that made her feel welcome.

*"There is such a friendly and supportive environment. It's a community you want to be a part of. The classes are thoughtfully structured, and that made all the difference."*

## PAST EVENT RECAP

# Adult Learners WEEK 2024

Celebrating the Winners of our Adult Learners Week Writing Competition 2024

We are proud to announce the Winners of the Macquarie Community College Adult Learners Week Writing Competition 2024.

**Yoga Skandakumar** with her story on how community education helped her embrace technology, explore creativity, and pursue new passions.

**Jeniston Jesunesan** took us on a journey of self-discovery, showing how MCC English course has been a cornerstone in his personal and professional development.

**Juliana Teon** beautifully highlighted the importance of community learning, and how it helped her to find the passion for lifelong learning.

# Foreign Languages

## Finding your level

### Foreign Languages

We have simplified the structure of our foreign language courses. This has been done based on feedback from tutors and students and with the aim of offering a more regular and consistent offering across each language and location. The previously offered 10 levels have been restricted to 4 levels – Introduction, Beginners, Intermediate and Advanced.

The introduction courses are designed as a one course only starting point for new students, but the other levels allow for students to continue until they reach the required competency to progress. The time to develop this competency will vary between students but as a guide 2 to 4 terms is often required. Continuing students should discuss with the tutor when they are ready to progress to the next level and new students with a prior background in the

language should contact the college to be assessed and placed into the correct class.

### Introduction (previously Level 1)

This level is for students with little or no experience in the language. Classes will be conducted in English and students will learn greetings, basic vocabulary and some simple aspects of conversation. These courses will suit students starting out in the study of the language or just looking for some basics of the language for travel, work or social situations.

### Beginners (previously Levels 2 and 3)

This level will provide the next step for students that have completed the Introduction course or have a basic knowledge of the language from previous study, travel or other exposure. Classes will be conducted in English but some basic conversations

in the chosen language will be introduced.

### Intermediate (previously Levels 4 and 5)

Students should have the capacity to conduct a simple conversation using basic language. This may have been obtained through the completion of the Beginners level or other study. Classes will increasingly be delivered in the language being learnt and focus will be on more complex vocabulary, grammar, reading and writing.

### Advanced (previously Level 6 and above)

Courses at this level are largely conducted in the chosen language. Students should be capable of holding a simple conversation or follow a conversation between fluent speakers. A basic understanding of reading, writing and grammar will be further developed at this level.
